

"An exclusive Bed & Breakfast"
78-120 Calzo Bay, La Quinta CA 9225

Dear Journalist:

Lake LA Quinta Inn is the ultimate mirage. Going against the typical desert grain of Spanish-style architecture and red-tiled roofs, this luxurious hideaway resembles a French Chateau and enjoys an enviable lakefront location in La Quinta, part of Southern California's affluent Palm Desert Resort Community.

Located near Palm Springs, and within putting distance to some 100 golf courses including PGA West, The Pete Dye Challenge Course at Mission Hills, and the Landmark Golf Club where the annual Skins Game is hosted, Lake La Quinta Inn is a destination in itself. Boasting a dozen luxuriously appointed rooms, including a pair of free-standing suites, a treatment room for massage therapy, and an outdoor swimming pool and spa, the Inn caters to couples in search of a romantic getaway, as well as executives wanting more intimate surroundings while away on business. Each stay includes a full breakfast, afternoon wine and hors d'oeuvres, and nightly turndown service. A golf concierge is also on call to assist in arranging preferred tee times and state-of-the-art equipment rentals.

Nearby attractions, all within a 30-minute drive or less, include the famed Palm Springs Aerial Tramway, The Living Desert Wildlife and Botanical Park, Joshua Tree National Park, Downtown Palm Springs, and shopping along the fashionable El Paseo. You will also find an array of restaurants within the area, as well as some 600 tennis courts and a collection of day spas.

We would like invite you to experience Lake La Quinta Inn first hand. Feel free to call us and we would be more than happy to make arrangements for a midweek stay. We can be reached at 888.226.4546 or via e-mail at stay@lakelaquintainn.com. In the meantime, consider taking a virtual visit at www.lakelaquintainn.com.

Hope you can join us soon in paradise!
